Empowering Women with Second Innings

Content:

Pune, 27th August 2024 – Techne AI is proud to partner Chandukaka Saraf Jewels (CSJ) on "Second Innings", a CSR initiative aimed at empowering women who have taken a career break.

Second Innings is a program that offers free training and certification in Microsoft Dynamics ERP, along with hands-on internship opportunities, helping women seamlessly re-enter the tech industry.

Join us as we launch this pioneering initiative in Pune, with a vision to expand nationwide, creating 500 jobs over the next five years.

With Second Innings, we're committed to building a brighter future for talented women across India.

Click to share your details and be part of Second innings!
