OBJECTIVE

I aim to be a Software Developer and a part of an organization where I can learn new technologies, enhance my skills in computer science and networking while also contributing in the growth of the organization.

EDUCATION

MCA | Ajay Kumar Garg Engineering College - (2021 – 2023)

BSC | Swami Vivekanand Subharti University - (2016-2020)

Intermediate | SS Academy – 2016

High School | SS Acadmey – 2014

EXPERIENCE

MAY-2023 -PRESENT   TECHNICAL COUNSULTANT
ACXIOM CONSULTING PVT LTD

I'm a Technical Consultant and Backend Developer with a proven track record of collaborating on successful projects for well-known brands. My expertise lies in customizing Backend of ERP using X++ and Sql Sever . I'm comfortable working on both the frontend and backend, with a talent for turning client needs into customized solutions. I'm dedicated to delivering creative and effective solutions for businesses in the retail industry.

Skills : Microsoft Sql Server, Api Integration, Microsoft Dynamics 365, Xml, Json, debugging, sql profiler, X++

- Successfully customized ERP solutions for leading companies, including Joyalukkas Jewellery(India & International), Senco Jewellery, BestSeller and Apollo Pharmacy Pvt Ltd.
- Implemented Microsoft SQL Server for robust database management.
- Integrated APIs to streamline communication between various systems.
- Implemented X++ for backend development and business logic.
- Extensive experience with Microsoft Dynamics 365.
- Proficient in handling XML and JSON data formats.
- Conducted through debugging and troubleshooting to ensure system reliability.
- Utilized SQL Profiler to optimize database queries and enhance system performance.
