Detail-oriented Data Science enthusiast with AI and data analysis expertise, proficient in Python, SQL, and advanced data visualization tools. Proven track record of solving complex problems and delivering impactful insights. Seeking to leverage my skills in a dynamic role to drive data-driven decision-making.

SKILLS

Programming Languages	Python, SQL
Tools	Excel, Tableau, Power BI, Cloud technologies
Techniques	Machine Learning, Deep Learning, Statistical Modelling, Classification and Regression, Time Series Analysis.
Domains	Data Science, Machine Learning
Soft Skills	Storytelling, Problem-Solving, Leadership

KEY ACHIEVEMENTS

Engineered High-Accuracy AI Detection System:, Developed an AI-based leopard intrusion detection system with a 95X accuracy rate, significantly enhancing wildlife safety and community protection..

Advanced Data Visualization and Predictive Analytics: Utilized Tableau and Power BI to create impactful data visualizations and developed predictive models that improved decision-making processes at Itelligence Info Tech.

Certified Data Science Expertise: Earned certifications in Python Programming, Predictive Analytics, Descriptive Analytics, Tableau, and Machine Learning, demonstrating a strong foundation and comprehensive expertise in data science methodologies.

EXPERIENCE

Artificial Intelligence Intern   Oct 2023 - May 2024
Simusoft Technologies   *Pune, India*

- Developed a system for intrusion detection using artificial intelligence algorithms, enhancing security measures.
- Created an AI system to accurately detect leopard activity, Applied machine learning and deep learning techniques.

Data Science Intern   Jan 2023 - Jun 2023
Itelligence Info Tech Private Ltd   *Pune, India*

- Utilized Python for data analysis and predictive analytics, developing accurate models.
- Leveraged Tableau and Power BI for effective data visualization and communication of insights.
- Completed comprehensive Data Science certification training with Python, mastering essential methodologies.

EDUCATION

BE, AI and Data Science, AISSMS IOIT, Pune	2024
HSC, Shree Gopinath Vidhyalay	2018 - 2020
SSC, Jawaharlal Vidhyalay Kedgaon	2018
