Profile Summary:

As a passionate and detail-oriented Java Full Stack Developer, I bring a strong foundation in Java programming and front-end technologies like HTML, CSS, and JavaScript. Eager to apply my knowledge in back-end frameworks such as Spring and Hibernate to develop innovative web applications. With a commitment to continuous learning and a collaborative mindset, I am motivated to contribute to projects, solve complex problems, and drive business growth. Ready to embark on a successful career in full stack development, I am excited to bring my skills to your team.

Project:

- **Digital Steganography Full Stack Project using Java and React | Java, React | Mar. 2022**
  Developed digital steganography project using Java and React. Concealed confidential data within images without altering visual integrity. Implemented secure encoding/decoding algorithms for data confidentiality. Improved user experience with React front-end interface.

- **OTT PLATFORM ANALYSIS | JAN 2021 | JAVA TECH.**
  Developed OTT platform analysis project using Java for data analysis and interactive visualizations, enhancing user experience and decision-making capabilities.

- **GRAPH PLOTTER | JAVA | DEC. 2020**
  Conceptualized and developed a Java-based Graph Plotter software integrating front-end Java Swing for interactive data representation through various graph types, enhancing visualization capabilities for diverse data sets.

Skills & Abilities:

Skills:
- **Proficient in Java programming**
- **Experience with front-end technologies such as HTML, CSS, JavaScript, and React**
- **Knowledge of back-end frameworks including Spring and Hibernate**
- **Database management with MySQL and MongoDB**
- **Strong problem-solving and analytical skills**
- **Excellent communication and collaboration abilities**
- **Agile development methodologies**
- **Continuous integration and continuous deployment (CI/CD) tools**

Education

Bachelor of Engineering (Computer Engineering)- Sinhgad Academy of Engineering, Pune | June 2022 | CGPA –9.61

Diploma in Engineering (Computer Engineering)- Gov. polytechnic, Dhule | May 2019 | Percentage – 75.13%

Certifications

- **Python Programming from Naresh IT Solutions, Hyderabad**
- **DBMS from Naresh IT Solutions, Hyderabad**
- **Android from Naresh IT Solutions, Hyderabad**
