Professional Summary

I feel I have the required qualifications. I have a bachelor's degree in arts. I am a homemaker and taking care of my two daughters. Since I am a homemaker, I have an in-depth understanding of the way people/ the public behave and the factors that affect their choices. I have always been able to establish excellent relationships with my surrounding people.

In addition, I enjoy meeting new people and trying to communicate clearly and persuasively. I have great negotiation skills which I think will help me to build business relationships.

I am Strategic-minded, goal-driven woman. I am sure that my exceptional ability to build and lead people will definitely create opportunities to achieve sales goals, adaptable, customer-focused leader with a proven track record of bringing revenues, profits, and market shares to new heights.
